“The Peony”

**Chas.F.Wassenberg
Peony & Iris Gardens
Van Wert, Ohio**

Dear Flower Friend;

It gives me great pleasure to present to you this, my 1927 Catalog, of the most beautiful Flowers grown -Peonies and Irises.

Their "Everlasting Beauty" makes them a source of pleasure, not for a few years only, but for all time.

Many write me they do not know what varieties to select, so I have made a few collections of the choicest things in both Peonies and Irises which you will find on the back pages of this catalog.

These all practically rate 9.0 or better, the finest varieties in the world, plants that will make your Garden the beauty spot of your community.

For your convenience I have again listed the various Collections at the bottom of this letter, that you may mark the ones you wish, attach your check and they will come to you at the proper planting time.

These collections are made up of such fine and rare specimens that you should not delay your order, for I would be sorry to disappoint you.

Very truly yours,

Chas. F. Wassenberg

EARLY ORDERS

Orders should, when possible, be placed early to insure securing the desired varieties and quantities.

RATING OF VARIETIES

The figures before the varieties give the ratings based on 100 per cent and were taken by members of both Peony and Iris Societies. This is of great assistance in selecting the most meritorious varieties. Those without ratings are new and have never been rated.

NO DESCRIPTION EQUALS SEEING

The varieties in the Garden or Show Table. Lovers of the Peony and Iris should avail themselves of every opportunity to see and enjoy the different varieties as many times during the season as possible. The Wassenberg Gardens, as well as our larger planting at Carlridge on the Lincoln Highway, are open to visitors and we will be glad to welcome you at any time.

PLAN TO SHOW

Your Peonies and Iris at your own local Exhibitions and, when possible, at the National Show. The joy of competition and being a part of the Show will more than repay your efforts besides the pleasure given to thousands who do not possess a garden.
